

DECLARATION OF CONFORMITY

Issued in accordance with Article 18 and Annex IX of Regulation (EU) 2023/1542

1. Company Information

Company Name:	The Power-Sonic Corporation
Company Address:	365 Cabela Dr, Suite 300, Verdi, NV 89439

2. Product Coverage

This declaration covers the Power-Sonic battery product families listed below:

Chemistry / Type(s):	Valve-regulated AGM and/or GEL sealed lead acid battery
Product Batch or Series:	PS, PSH, PDC, PHR, PG, PG2V, PGFT, DCG, PL, PLHR

3. Regulation(s) Addressed

This declaration is intended to address the following regulation(s):

- Regulation (EU) 2023/1542 with Article 18 and Annex IX

With applied relevant harmonized standards or the common specifications:

- Regulation (EU) 2023/1542
- IEC 60896-21 Stationary lead acid batteries
- IEC 60896-22 Stationary lead acid batteries

4. Declaration

The Power-Sonic Corporation hereby declares, under its sole responsibility, that the battery products identified in this Declaration are in conformity with the applicable requirements of the following Union harmonization legislation:

- Regulation (EU) 2023/1542 on batteries and waste batteries.

Conformity has been demonstrated through the application of the relevant provisions of the above legislation and the use of applicable harmonized standards and technical specifications, including:

- Regulation (EU) 2023/1542
- IEC 60896-21 — Stationary lead-acid batteries — General requirements and methods of test
- IEC 60896-22 — Stationary lead-acid batteries — Valve-regulated types — Requirements

Conformity is supported by technical documentation and internal verification activities, including applicable test reports and evaluations, as documented in supporting technical reports*:

PS-CE_AGM_001, PS-CE_AGM_002, PS-CE_AGM_003, PS-CE_AGM_004, and PS-CE_GEL_001

The products covered by this Declaration are manufactured under controlled conditions and quality management processes intended to ensure ongoing compliance with applicable regulatory requirements.

This Declaration is issued in accordance with Article 18 and Annex IX of Regulation (EU) 2023/1542.

5. Basis of Statement and Limitations

This Declaration reflects the compliance status of the products listed in this document as of the date of issue. It is based on information available to The Power-Sonic Corporation at the time of issuance, including:

- Supplier declarations and material disclosures
- Internal evaluations and technical documentation
- Applicable testing and verification data (where available)

This document does not constitute a test report or certification issued by a third-party body. It is issued in good faith and based on the current state of knowledge and documentation.

The Power-Sonic Corporation maintains processes to monitor regulatory developments and product compliance. This Declaration may be updated where necessary to reflect changes in regulatory requirements, product design, or supporting data.

*Supporting technical documentation may be made available upon receipt of a duly executed Non-Disclosure Agreement (NDA) and/or Non-Circumvention Agreement (NCA).
