

PFAS Declaration of Compliance

Company Name: Power-Sonic Corporation

Company Address: 365 Cabela Dr, Suite 300, Reno, NV 89439

Product Coverage: Sealed Lead Acid Batteries (All PS Series, PG Series, PHR Series, PDC Series, PG FT Series, DCG Series, PG 2V Series, and PSH Series)

PFAS Declaration: Power Sonic Corporation hereby declares that all sealed lead acid battery products listed above are manufactured free from Per- and polyfluoroalkyl substances (PFAS). These products do not contain any PFAS chemicals as defined by current regulatory standards and industry guidelines.

This declaration covers all raw materials, manufacturing processes, packaging materials, and finished products within the specified battery series.

PFAS Information: Per- and polyfluoroalkyl substances (PFAS) are synthetic chemicals that have been used in various industrial applications. Power Sonic has verified through our supply chain and manufacturing processes that our sealed lead acid batteries do not contain these substances.
